PRESIDENT'S PERSPECTIVE

FROM JASON MEYERS

I can't believe it's been almost a year since I accepted this position. It has been a great year, and we have accomplished so much as a chapter. As the seasons change to fall and winter, I hope everyone enjoys safe and happy holidays. Make sure you buy some really fun toys for the little ones for Christmas. We are lucky to live in such a great city with so many dedicated and active APWA members. I want to take this time and thank all the executive board and chairs of all the committees. Without your support we could not have had such a successful year.

As we look into the future and 2019, please give some thought to your involvement in this organization and the one you work for. Consider taking time to educate, inform and mentor individuals in your organization who are new to our industry or new to Kansas City. APWA is a great organization for networking and making friends, and bringing new members into the fold will keep our organization strong for years to come. The overall mission of APWA is to educate, and we can only do this by being mentors. A big thank you to Larry Frevert who is one of the best mentors in our organization. His dedication to our APWA chapter will be remembered for years to come. Through the Public Works Institute (PWI), he has mentored hundreds of professionals around Kansas City. PWI could not have been the great success that it is without him. Congratulations to the class of 2018!

As we are only two months away from the end of the year, it's also time to reflect on what we have accomplished and set new goals in 2019. The new leadership of this chapter is going to be great. The incoming president, Dan Brown, will bring strong leadership to this organization. With best wishes to Dan and appreciation for all the support I have received, I would like to thank all of our members for a truly remarkable year!

DELEGATE DETAILS

FROM BILL STOGSDILL

2018 is almost a wrap and I think it has been one of our busiest years to date. All our committees were busy working this year to put on great programs and educational experiences for the Chapter's Membership. The Chapter also hosted a very successful PWX this year in downtown Kansas City. The Chapter worked very hard to bring a first-class event to Kansas City and it showed. I personally didn't hear one complaint, only compliments about the event. So, a big thank to all of those that helped make the event the greatest show in public works! Everyone ready to do it again in 2024?

Membership

Membership in APWA reached another all-time single day high on August 30 with the total reaching 30,355 members that day.

The official membership total for August was 30,225, the second highest monthly total ever, behind only the mark set in July of 30,264. That represents a 0.76% increase (231 members) compared to same time last year and a 0.13% decrease (minus 39 members) compared to previous month. The 2018 "1st Time Member" special offer campaign has brought in 2,398 new members so far this calendar year; 215 of those are from Canada. This campaign allows anyone who has not previously been a member to join APWA for \$98 USD. Our overall retention is at 85.59%, a decrease of 0.54% compared to last month.

Chapter Leadership Training

The biennial Chapter Leadership Training is scheduled January 31 - February 1, 2019 in Kansas City. This event brings chapter leaders—including presidents, presidents-elect, treasurers, membership committee chairs and others—to Kansas City where they can interact with their peers from all over North America.

The two-day session provides chapter leaders the opportunity to understand how chapters and branches work with APWA National, the services and resources available to chapters from National, and provides an excellent opportunity to network with leaders from other chapters.

I bring this up for the benefit of all our committees in case there is a person on the National Board, Council of Chapters or Technical Committee that they would like to have speak at an event you could piggy back off of these dates.

2019 Public Works Trending Technologies Bracket Challenge

Last year, after surveying the public works community, APWA introduced the Public Works Trending Technologies report. Again, this year, they want YOU (the public works professionals) to be a part of selecting the 2019 Trending Technologies! Over a two-week period, they will be asking the public to vote in a bracket-style challenge to help determine our finalists. Tell them what technologies you think will impact public works the most in 2019. APWA's technical committees have assisted in coming up with the 16 technologies you see below and have also voted on them to determine a seeding for each. Now it's up to your votes to see where the upsets happen! Please take a moment and vote for your favorites here : https://www.apwa.net/MyApwa/Apwa_Public/Resources/Top_5_Tech.aspx

COMMITTEE ANNOUNCEMENTS

KC Metro Chapter APWA—Policy Clarifications

The Executive Board of the KC Metro Chapter of APWA truly appreciates all of its members. Whether that be a college intern, a staff member who just received their PE, a retired engineer, and all of our private corporations. Therefore, the following decisions have been made regarding special “announcements” in the PubNews:

- We are always sad to lose a member, so in memoriam, if someone would like to write (or share) an obituary from another member’s passing, we would be happy to share.
- We like to celebrate with you during one of the biggest steps you are going to take in your professional career—retirement! We would be happy to share an announcement for you! This only applies to retirements, we will not post for promotions or changes of employment.

This fall's module was held at the historic Soldiers and Sailors Memorial Hall in downtown Kansas City, KS. Due to the Unified Government of Wyandotte County/Kansas City, KS allowing us to use their facility cost-free, the Chapter was able to offer this valuable three day training for only \$250. Thanks to the UGWYCO/KCK for coordinating use of this site and specifically to Public Works Director Jeff Fisher and his extraordinary staff for making the arrangements and for providing us with exceptional hospitality and courtesies. We are indebted to the talented and dedicated members of the KC Metro Chapter and the region who served as presenters for Module II. They were:

Michelle Biddison—Olathe	Jeff Fisher—UGWYCO/KCK	Bob Hartnett—Lee's Summit
Bill Billings—Leawood	Larry Frevert—Retired	Ann Frame Hertzog—Shockey Consulting

This PWI was the second best attended we have held with this fall's attendance of 84 exceeded only by this past spring's module attendance of 87. This fall's attendees included eleven first time attendees and bring us to a total of 234 individuals that have attended at least one of our PWI's. Thirteen of this fall's attendees completed their fourth module, bringing us to a total of 119 that have completed all four modules. These 13 graduates, along with the eight who completed their fourth module this spring will be recognized at the Chapter's December Holiday Party.

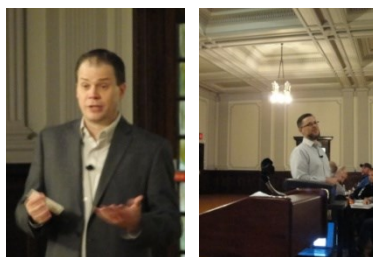

The thirteen PWI attendees who completed their fourth module of the training this fall are:

Alysen Abel-Parkville	Chris Pringer-Jefferson City, MO
Mark Cella-Raytown	Russell Rackers-Jefferson City, MO
Kenny Hamm-Shawnee	Monisha Smith-Kansas City
Ray Ibarra-Junction City, KS	Brandon Stegeman-Jefferson City, MO
Jason McLemore-Shawnee	Brad Stockman-Jefferson City, MO
Jason Nida-Shawnee	Fred Tustin-Grand Island, NE
Brad Phillips-UGWYCO/KCK	

The KC Metro APWA Chapter's Public Works Institute is one of 18 authorized by APWA to provide training in public works supervision, management and leadership consistent with a curriculum focused on 11 core units of instruction presented in 90 hours of class time. The 11 core units are:

Supervisory Techniques and Skills	Fundamentals of Government
Basic Management Skills	Finance
Communications Skills	Resource Management Skills
Leadership Skills	Overview of Public Works Operations
Community Service/Customer Orientation Skills	Creating the Future
Impact of Law on Public Works	

The following are some photos taken during the three days of October 2018 training (All photos can be viewed at <http://kcmetro.apwa.net/PageDetails/16637> (photos courtesy of Becky Bonebrake of Overland Park)

On the first morning, Chapter Vice President Dan Brown and UGWYCO/KCK Public Works Director Jeff Fisher welcomed the attendees

Based on previous PWI evaluations indicating our attendees appreciate "break out" sessions, most presenters included such group interaction

Overland Park City Manager Bill Ebel gave an excellent review of federal, state and local executive and legislative responsibilities

Lee's Summit Public Works Director Dena Mezger provided the attendees with advice on managing stress

Overland Park Public Works Director Tony Hofmann discusses municipal budgeting and finance

Chapter Delegate Joe Johnson provided advice on managing meetings

Leawood's Bill Billings described the importance of good purchasing and inventory management practices

Kansas City's Michal Shaw described the benefits of sustainable materials management

Assistance from the site host is important to our PWI's success and the Memorial Hall staff was great to work with

Larry thanked Senior Human Resources Business Partner Michele Biddison and Public Works Director Mary Jaeger for their excellent presentation on interviewing and "on-boarding" of new employees

The last session of the PWI was a panel discussion by successful public works managers Kevin Swearengin (UGWYCO/KCK), Shawn Graff (Lee's Summit) and Rich Profaizer (Overland Park)

Our 13 PWI attendees who finished their last module this fall and will graduate at the Chapter's December Holiday Party with Larry and Jason Meyers
